300 Years

ST. MONTFORT - OUR FOUNDER
MONTFORT BROTHERS OF ST. GABRIEL
The man who walked with God

"Together towards Montfort 300"

If the journey of a thousand years begins with one step, for Montfortians, it was on 9th June 1715 at La Seguiere where Montfort along with Bros. Nicholas, Philip, Louis and Gabriel, took the Religious Vows at the feet of Mother Mary - Our Lady of All Patience! The death of St. Montfort on 28th April in 1716 was not an end but was the beginning of a new era in our History. For the Montfortian family, the span of three centuries is a long period of time filled with memorable footprints of God's interventions. As we commemorate the long journey of 300 years from 1716 to 2016, it calls for reflections and introspection, particularly during these Montfortian years, 2015 and 2016.

St. Montfort continues to live among us, as our inspiration and guiding star of hope. Though we cannot see him with our external eyes we can continue to see him with our inner eyes among the poor, the sick and those rejected by the society. He has a new message for every one of us if only we make sufficient effort to discover the heart and soul of this Saint who always walked with God. Irrespective of our religion, age and status in society, we can find a reliable friend in him.
